Dear Sir:

Contact was made with the Examiner before the Notice of Abandonment was mailed on December 14, 2005. In that conversation, the Examiner instructed Applicants attorney to respond to the Notice of Abandonment once received and show appropriate proof that the Response to Advisory Action After Final Action filed on August 3, 2005, was in fact filed in a timely manner. The Response to Advisory Action After Final Action filed on August 3, 2005, placed the application in condition for allowance since the rejected claims were cancelled. Copies of all of the papers timely filed as well as copies of the facsimile transmittal confirmation and USPTO Auto-Reply are attached to this Petition.
